JULY 2019

Recycle IT are excited to share our Summer Newsletter for 2019. Please take some time to read about recycling, sustainability community initiatives and tips on how you can reduce, reuse and recycle. Click the pictures above to start learning more.

Don't forget the Sustainable Development Goals in 2019

The Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including those related to poverty, inequality, climate, environmental degradation, prosperity, peace and justice. The Goals interconnect in order to leave no one behind. [Learn more](#)

Technological University Dublin Students— Learning with Communities

Recycle IT were delighted to engage with the Learning with Communities programme again in 2018/2019 as it allows students to improve their knowledge on a range of subjects in collaboration with community or social enterprise organisations such as Recycle IT. Students engage in a specific project or tasks with a chosen community organisation to enhance learning.. Read more [here](#)

JULY 2019

New Waste Labeling in Ireland

New labels have been introduced to help make recycling easier for consumers in Ireland. The labels – which are a voluntary measure are supposed to help consumers see if the packaging for an item bought is recyclable, not recyclable, or if more information is required. The labels were recently launched by the Minister for Communications, Climate Action and Environment, Richard Bruton. Read more [here](#)

Free Electrical Recycling Collections for Residents Associations

If you are part of a residents association you can benefit from a free recycling collection service for your estate. Recycle all old, damaged or unused electrical, electronic and pure metal items. You can find full lists [here](#). Over the last few years our team has helped thousands of households recycle safely through our authorised and official recycling collection. Learn more [here](#)

Dormant Accounts Funding for Recycle IT

Recycle IT, was allocated approximately €40,000 to help fund a new recycling collection vehicle. This funding was awarded through the Dormant Accounts Fund managed by the Department of Rural and Community Development and administrated by Pobal. This funding will help replace an old vehicle with a newer lower emissions truck – Read more [here](#)
